EXPERIENCE

Eridan | Keyshot, Powerpoint, Solidworks, Illustrator

Industrial Designer | June 2022 - Present, Sunnyvale CA

Worked closely with engineers and marketers to build or redesign graphics of all forms. Some examples include

- Using Solidworks and Keyshot to build and create beautiful product renders which bring the companies product to life.
- Using Graphics and Renders to create visually interesting and unique company brochures, used at trade shows which make the company memorable and exciting.
- Working closely with the company to understand their brand + goals to create cohesive PowerPoint slides and templates which are used internally and externally.

Garden To Table | Illustrator, Sketchbook

Industrial Design Intern | Summer 2022 San Jose, CA

Worked on a small nonprofit farm to redesign and build an outdoor kids classroom. Interviewed visitors and volunteers, sketched and rendered concepts, presented to a board after many rounds of refinements. Taught and led classes at various Boys and Girls club locations.

Bizsmart Global | Keyshot, Solidworks, Sketchbook, Illustrator

Industrial Designer | October 2021 San Jose, CA

Led a design consultation with 5-6 young entrepreneurs and enhanced their design concept while creating CAD models and renders. Developed skills necessary to complete design work under a short deadline as well as working with a team of non-designers

The LEGO Group | Teamwork

Retail Salesworker | June 2018-March 2020 San Jose, CA

Learned the ideals of the company as well as hard work, leadership, communication, problem solving, teamwork, as well as countless retail skills

Employee of the month, February 2019
